Beyond the Basics

You can register for just about anything. So think creatively!

Once you've picked out the tableware, furniture and housewares for your wish list, it's time to customize your registry with items that further reflect your lifestyles and interests. Whether you're a connoisseur of good cheese and wine or a sports buff, all you have to do is sign up and enjoy what you truly love.

FROM LEFT: Year-round two-person tent by Black Diamond. Rechargeable retro-style lantern by Coleman. Hiking backpack by L.L.Bean. Eureka's "mummy bags" for women, designed with extra room through the hip area and more insulation around the chest and feet. Women's hiking shoes by The North Face. Pocket-size binoculars by Vortex Optics. Cast-iron Sportsman Grill by Lodge. Blanket from Wrapables.
